ADDITIONAL INFORMATION:

"Maria is a total joy to work with. She has a meticulous attention to detail and an expansive knowledge on the production side of television that has been invaluable within our pre-production and shoot process. She has a brilliant eye for pre-empting any possible hurdles we might bump into and putting in supportive infrastructure to prevent them happening at an early stage. As a director, I feel very supported and considered by Maria and that she respects and gives me space to work creatively. However, she also is very clear with boundaries and managing expectations during the creative phase so we have been able to adjust the vision to adapt to budget/time constraints in a way that still feels like I have the space for creative integrity. She is a great energy, a kind collaborator and someone who is truly passionate about her work, always giving her best to what she does. I would highly recommend working with her." **Ellie Heydon, Director**

"I was impressed how efficient and organised Maria was. I was able to trust her with sourcing and managing crew whilst staying across the budget. Nothing was ever a problem and I wouldn't hesitate in working with her again." **Andy Mosse, Producer, Mammoth Screen**

"I worked with Maria when she was Production Manager on the SKY/PARAMOUNT movie THIS IS CHRISTMAS and have absolutely no hesitation in recommending her. Maria is very diligent, hard-working, a problem solver and a wonderful collaborator who managed to get the whole crew behind her under difficult circumstances. She is a star. Please feel free to contact me should you require further information."

Allan Niblo, Co-Founder, Vertigo Films

"Maria is absolutely fantastic. She is incredibly focused and hard working. Her warmth and her dedication makes everything okay. Maria was so supportive to me throughout the job and I can't wait to work with her again".

Chris Foggin, Director

"Maria is an excellent, detail orientated people person. She planned and executed our shoot very well and came in under budget. Hard working, caring and knowledgeable. Would work with her again in a heartbeat." **Ian Hughes, Production Executive, Mammoth Screen**
